21         This Second Summary Report supplements the report issued by Judge Theiler on  
22         December 19, 2007.

23         At his initial hearing on supervised release revocation on December 19, 2007, defendant  
24         admitted certain of the alleged violations, and denied others. The court set an evidentiary hearing  
25         on the charges in dispute for December 26, 2007.

26         At that hearing, the United States was represented by AUSA Ron Friedman and the  
27         defendant by Robert Goldsmith. The proceedings were digitally recorded.

28         In addition to defendant's admissions at the December 19, hearing, defendant further  
29         admitted:

30                   **SECOND SUMMARY REPORT OF U.S. MAGISTRATE**  
31                   **JUDGE AS TO ALLEGED VIOLATIONS OF SUPERVISED**  
32                   **RELEASE**  
33                   PAGE -1

01 - that he used methamphetamine on or about October 10, 23 and 30 of 2007; and  
02 - that he failed to submit to drug testing on September 4, October 9, 15, 22, and  
03 November 5 and 27, 2007.

04 Together, these admissions resolved all but one of the violations originally charged. The United  
05 States withdrew its allegation as to the sole remaining charge: that defendant failed to submit a  
06 monthly report for October, 2007.

07 I therefore recommend the Court find defendant violated his supervised release in all  
08 respects alleged except the one withdrawn by the United States, and that the Court conduct a  
09 disposition hearing. That hearing has been set before the Hon. John C. Coughenour on January  
10 11, 2008 at 9:45 a.m.

11 Pending a final determination by the Court, defendant has been released on the conditions  
12 of supervision.

13 DATED this 26th day of December, 2007.
